

## The 10 Most Successful Producers

All of the prices, blend components, wine analyses, names and contact details are supplied by the entrants in the 2021 Old Mutual Trophy Wine Show and were correct at the time of going to press (June 2021). Where prices are not supplied, the wines are Museum Class entries: white wines at least four years old and all other wines at least eight years old (generally no longer commercially available or only available in very limited quantities).
